From Scott Bauerschmidt

Ok, everyone the Expo is behind us, and our flying season is in full swing. The Monday Night sailplane league season has begun, but unfortunately the rain does not seem to be letting up and the field is completely flooded. I would like to say thank you to Steve Johnson for stepping into the field maintenance position and he is already doing a great job. Cleaning the barn, fixing the small mower, fixing all the airplane stands and much more. We also have a small mowing crew as well, but unless we have some sort of mower boat, mowing the field is proving to be difficult. The open OVSS Sailplane had to be cancelled as well due to the field being very wet and more rain in the forecast. Currently there is no reschedule date. We will keep you informed.

The next open contest is the Scale event coming up June 21-23. There are many club members that can participate in the event, this would be an awesome event to get your feet wet at flying in front of judges.

We will need to start thinking about an election committee for the upcoming elections.

I look forward to seeing everyone at the next meeting on the 13th of June, 8PM, at the club house.

Thank you,

Scott Bauerschmidt
