From the President

Hello,

Ok guys, there is still a lot of concern out there about staying safe. The current restrictions in Michigan have us pretty locked down. Due to this we will not be able to meet for the Dec. 10th meeting. So, we won't be seeing each other for a while at least till the Jan 14th meeting. So, with all that said.

I would just like to say I hope everyone had a great Thanksgiving, and hopefully a wonderful Christmas.

I field news the club house is all shut down and bathrooms are closed, and the refrigerator is empty. Of course, as you know the field is still open for those of you brave enough to withstand the cold. I have been out quite a few times flying it actually isn't too bad so far.

I'm sure some of you are wondering where the futures committee is at with our bylaw proposal re- outlining how the club will operate. I feel like we are pretty much done outside of some clean up to do on the document itself. I am still hoping to share the document with the club at the January meeting. Yes we will have to put this through the normal bylaw change process as it is laid out.

Currently not a lot going on in the way of club business sort of an odd feeling with no expo going on. The club does have to get together to discuss 2021 dates for club open events.

The new board will meet in Dec at a date TBD if you have any questions or concerns please get them to one of us so we can discuss.

Thank You

Scott Bauerschmidt

President

AMA Membership Verification

Due to the cancellation of the November and December meetings due to Michigan's Covid restrictions, the requirement to show your AMA card to the Membership Secretary is waived. Instead your membership will be verified through the AMA

Calendar

Check out the club calendar for updates!

Thursday December 10
Meeting cancelled

Thursday January 14
Club Meeting?

Thursday February 11
Club Meeting?

RC Equipment Estate Sale

Bill Pandi is helping Paul Filmore's family sell Paul's collection of RC planes and equipment. You can see the list of on the club website at

<http://www.toledoweaksignals.com/for-sale>

New Members

Meet our newest member, James Zare:

Welcome James !!!!

Weak Signals Pictures

Blast from the past. I found these pictures browsing through some old folders on my computer:

Pictures of a young Andrew Jesky and his then-new Prophecy pattern plane. I believe these were taken in front of the original Weak Signals clubhouse. You can see the microwave tower across Minx road. And you can never go wrong including a picture of Tim Jesky with a carcass in his hand
