From the President

Hello,

Ok everyone 2020 has been like looking both ways before crossing the street only to have an airplane fall on you from the sky. Yes pun was intended. Needless to say this year last year has been like no other that our club has encountered. To make it even better Michigan still has not lifted the group gathering inside band, which has the American Legion still closed, and with the virus still operating at its peak probably best at this point that we continue to not have our meeting for January.

So officially there will be no meeting!

And trust me when I say I want to have a meeting to present the new Bylaw change package. It is pretty much ready to go minus maybe one final futures committee meeting to finalize a few things. Hopefully we will get to have a meeting to review these necessary changes are club needs to go through. And just to say there has been a huge effort from this committee to make the club simple and enjoyable moving into the future.

Please stay engaged. We will get through this time and return to normal as spring quickly approaches.

Thank You

Scott Bauerschmidt

President
